A fine team of horses belonging to the
county frightened at a freight train this morn-
ing opposite the Infirmary and ran off, one of
the horses being so badly injured by a wire
fence that it will have to be killed.

Mrs. R. B. Lovel left this morning for Mil-
lersburg, where she goes to enter Robert Lee
Lovel, Jr., in the M. M. I. This is the young
man's third year and he is said to be one of
the brightest students in the Institute.

Mr. and Mrs. Frank Burgoine and son of
East Second street contemplate leaving in
October for Los Angeles, Cal., to make that
flower garden of the world their future home.
Their many friends here regret their going
away, but wish them good luck and prosperity.

CARD OF THANKS.

We wish to extend our heartfelt thanks to
all our kind friends for their sympathy, help
and interest during the illness and death of
our loved one, Mrs. Pickett Wood. To Mrs.
J. B. Noyes especially is due our sincerest
thanks for her many manifestations of kind-
ness and sympathy.

UNWELCOME VISITORS

Tuesday night the grocery and warehouse
of Joseph H. Dodson & Son, corner of Second
and Wall streets, was entered by some one
who had no business there. Mr. Dodson is of
the opinion that the thief hid about the place
and was locked in at closing up time, or that
an entrance was made with a duplicate key.
The intruder was evidently frightened away
by the Police before he had time to make a
haul. Officer Fizer notified Mr. Dodson about
2 o'clock in the morning and a search of the
premises was made, but the bird had flown.
Mr. Dodson does not know what was taken.

LOWEST RAILROAD RATES EVER GIVEN AN EXPOSITION

KNOXVILLE, Tenn., September 12th.—The
widely heralded Appalachian Exposition, the
South's only big affair of this kind for 1910,
opened in a blaze of glory here today and
Knoxville has made good her promise to give
the South the biggest and best Exposition of
this kind which has been held or will be seen
South of the Ohio river for years.

The amount of money invested in the build-
ings and grounds represent one million dollars
and work on the same has been under way for
the past twelve months. The foundation idea
of the Exposition is to exploit the resources
of the South, particularly that section of the
South known as the Appalachian region.

Owing to the fact that all the Southern
railroads have given rates for this Exposition,
the lowest ever given to any Exposition, one
cent a mile, preparations have been made to
take care of the enormous attendance which
this low rate insures. Conservative estimates
place the figure at not less than one million
during the thirty days the Exposition will be

PUBLIC LEDGER
MAYSVILLE, KY.

Mrs. M. W. Coulter has rented Dr. Samuel's handsome residence in West Third street.

Colonel R. R. Maltby of Washington returned last evening from a several months' visit at his old home in New York State. He is looking well and in the enjoyment of good health. Colonel Maltby is one of the oldest Federal officers now living in this part of Kentucky. He commanded the Tenth Kentucky Cavalry during the Civil War and since his visit in the East two of his Majors—Foley and Taylor—have answered the final roll-call and joined the silent majority camping on the other shore.

Nat Green was arraigned before Police Judge John L. Whitaker yesterday afternoon on a charge of exposing his person. In order to teach Nat some sense of decency he was given \$75 and cost, or, in other words, eighty days in jail.

Henry Darnall, breach of the peace, \$15.50.

CAPTURED HERE

Early this morning Chief of Police Ort arrested George Piatt, aged 17, and a lad named Conway, aged 11, hailing from Manchester, O., charged with having stolen a skiff from that place. When searched a big pistol was found on Piatt, who confessed to the Chief that he had stolen the skiff and was headed for Cincinnati. Piatt was placed in jail and young Conway given in charge of a relative here.

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS

Were living in perfect comfort all over the house. The Underfeed coal burning way—fuel fed from below—all the fire on top—insures as much clean, even heat from cheapest slack as highest priced coal which ordinary heating plants require. This enables Underfeed users to

'SAVE 1/2 TO 2/3 OF COAL BILLS'

Mr. J. E. Crider, President of the Crider Creamery Company, Fredonia, Ky., relates his Underfeed experience thus: "We installed one of your No. 739 Underfeed furnaces in our 12-room house about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, fires easily and the heat is quite evenly distributed throughout the various rooms. We use no coal and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Send for our FREE books about UNDERFEED FURNACES. Please let us PROVE that it will pay you to discard old-fashioned heating methods and install the satisfactory dividend-earning Underfeed. Heating plans and services of our Engineering Department all FREE. Write today.

A quantity of beer was confiscated, the boat fired and turned adrift, floating away and burning to the water's edge. Another smaller "blind tiger" boat, moored just below Russell, was also fired at her moorings and destroyed.
